EXPERIENCE

Service and Engagement Leader

August 2022 - Current

Target

- Collaborating with my team to coordinate and perform technical tasks such as transactions, order delivery, returns, bill payments, freight work, order fulfillment, and accounting
- Implement new standards and practices for engaging with guests to cultivate a culture of loyalty with a focus on guest interaction
- Analyze and evaluate performance in each of my work centers to ensure safe operation and aid in loss prevention
- Strategize workload planning through planogram updates, product changes, and fixture resets
- Led my team through a multi-million dollar remodel of our store, successfully ensuring we maintained a stellar guest-centered environment

Team Leader

January 2021 – July 2022

Academy Programs

- Performed responsive counseling and intervention in youth treatment for behavioral and substance abuse disorders
- Safely restrained and deescalated physically aggressive adolescents
- Strategically organized and led events for the various youth groups on campus
- Led a staff of teacher counselors across a campus of three treatment programs housing a total of 70 students

Guest/Sales Experience Leader

May 2018 – November 2020

Petco

- Led the sales culture for one of the highest volume stores in the company
- Designed and implemented new initiation and greeting tactics to increase engagement and guest connection
- Oversaw the operation of around 30 partners in their day to day operation: freight, sales, animal maintenance, dog training, grooming, etc.
- Guided the CEO of the company through a store tour alongside my Store Leader after a substantial increase in performance and sales metrics
- Fostered a guest centered culture among my team to increase loyalty and maintain an 80% guest retention rate
